They Harmonize

Very naturally, when you think of Christmas presents you associate them with a jewelry house. And in this line there is no more appropriate gift than

A HANDSOME WATCH A BRILLIANT DIAMOND
A BIRTHSTONE RING A SET OF CUFF LINKS
A SIGNET RING A PIECE OF CUT GLASS

This store is prepared at any season to furnish anything needed in this line, and we are especially so as the holidays approach. We have a most superior and high class selection in all jeweler's lines, and can furnish you anything you need.

Articles to be engraved should be selected at once, particularly ivory, in order to give our engraver the time to do a classy piece of work.
